This document sets out the schedule for the weekend and a bit more information about each class, what's needed and what rules will be used. If it's your first time coming to the show there's also a companion document called 'A Beginners Guide to the GBPRE Show' which should help you out seeing how things work.

There is also a guide to what you should be wearing for English and Spanish showing available.

You can see the approximate start times for each class on the timeline – please be aware these could change depending on entries. We will try to issue a revised timeline in mid-July once entries are closed. The timeline is colour coded this year so it's a bit clearer what types of classes are available. We have tried to avoid any

## Class Information

We're often asked for a bit more information about how classes run, what you need to do and how you need to dress so this section is providing that information.

### ANCCE Classes

---

GBPRE hosts the only ANCCE Morphology classes in the UK with the opportunity to qualify for SICAB – The World Championships for the PRE breed held in Seville in November. The event is a 1\* competition. A Spanish judge is appointed when the second semester draw is made by ANCCE in June.

We also have a specialist show administration team that come from Spain. They are responsible for the scoring, photos and videos that are uploaded in 'real time' onto the ANCCE results website.

[Please see the separate file for ANCCE Rules & Regulations 2022](#) – Specific competitor information can be found on pages 16 to 21. PLEASE DO READ THEM!

There is a competitor meeting for all taking part in these classes on **Thursday 4<sup>th</sup> August** at 19.00 in the restaurant of the International Arena. All horses competing in the ANCCE classes must arrive on the Thursday (from 13.00) and may not leave until after the Special Awards on the Saturday.

### Dressage Classes

---

There are several different types of dressage going on over the course of the weekend at Hartpury

#### Friday & Saturday

#### Dressage to Music – Unaffiliated Freestyles including MCI

A fantastic opportunity to dress up to the nines for the fancy dress freestyle classes from Novice up to Grand prix – fabulous prizes for the best outfit for you and your horse! This year we are running the advanced classes on the Friday evening, and the lower levels on the Saturday.

MCI freestyles to be in normal BD attire or traditional costume.

If you would like to enter either of these classes as a Pas de Deux then please let us know!

#### Saturday

#### BD affiliated dressage

We are delighted to be able to offer affiliated dressage taking place on the Saturday, from Prelim up to Grand Prix.

#### Sunday

#### MCI GB

The Masters Du Cheval Ibérique (MCI) is the only European dressage league and championship specifically for Iberian horses. This year the Europeans will be held on 12th to 16th October at Sentower Park in

Belgium. A team to represent Great Britain will be selected based on qualifying scores on the league and the numbers of competitors that we are designated in each class/level.

The MCI GB is the official British Association for the MCI and completely independent of GB PRE. It includes qualifiers at dozens of independent venues across the country every year. It welcomes both purebred and partbred PREs (Pura Raza Española) and PSLs (Puro Sanguie Lusitano) to compete in the series and at their UK Championship Event held every year, although only purebred horses may qualify for the European Championship.

### **COPA ANCCE Qualifiers for SICAB**

We are delighted to be able to offer 8 venues in the UK which we have organised with ANCCE which are considered qualifiers for the PRE World Dressage Championships at SICAB in Seville on the 15<sup>th</sup> – 20<sup>th</sup> November

For queries about any of the dressage taking place please contact
